Nonetheless, the ALAPALOOZAH bashing continued apace. If he'd been one of THEM - they'd have TRANSFORMED him into a $CAMH Afflictions poster-boy. Instead, they accused him of making statements that (they said) one wouldn't be surprised to hear spouting from the mouths of $CAMH inpatients on THING STREET.

The Leftists hated Alapaloozah so much they let down their guard. They usually pretended to like crazy people.

Johnny wondered if the things he WROTE were in the same category as the things Alapaloozah SAID.

He felt a sudden warmth for the Great Man. He loved Alapaloozah!

He wanted to SLAP that writer. Pummel him with his fists. Sit on his face and FART. So now ALAPALOOZAH was mentally ill, as well as addicted? And STILL no EMPATHY - and what a callous way of talking about $CAMH clients. Like Johnny, if not exactly Johnny himself....

Not to mention, they were stupid and illogical - INPATIENTS? on the STREET?! Not for very long....

With LEFTIES like THESE - MAD PEOPLE didn't need ENEMIES....

Getting rid of ALAPALOOZAH was no improvement for Johnny. He wanted a NEW OPPOSITION TOO!

He wanted to GET RID OF THE TOTALITARIAN FASCIST LEFT. It had been co-opted by Citizen Hearse and his Trotskyite media janisaries....

While slyly intimating on Dadania News Liar that Alapaloozah was a fat-assed NAZI sow, Citizen Hearse transformed his bum shelter franchise Handy Havens into condos for union satraps.

Johnny was glad to see Alapaloozah had some black friends. So what if he did drugs and had sex with them. It was only natural. He would have been racist not to. He was makng friends.

If he was finally IMPEACHED or FORCED to RESIGN (and they STILL WOULDN'T let him run $CAMH?!) Johnny thought he'd make a great PEER SUPPORT WORKER. Better than Warfarin....

Anyone was better than Butch....

Even Bruce....
